

# MUTUAL RESPECT

# *Prayer for Friendship*

Loving God,  
Bless my life with the gift of friendship.  
For those who have chosen to be my friends,  
I am grateful.  
Let our love, respect,  
and affection for each other flourish.  
Make me a good friend,  
one who is loyal and caring and ready to forgive.  
To you, who are our truest friend, I pray.  
Amen.

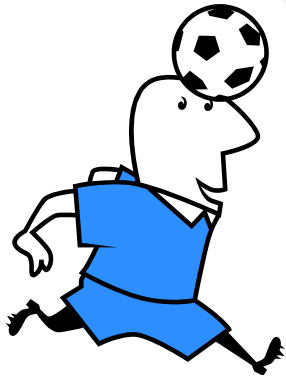

# RESPECT

- We may not always agree with other people, but we always try to show respect for their thoughts and feelings.
- We can give respect to others and expect others to show us respect.

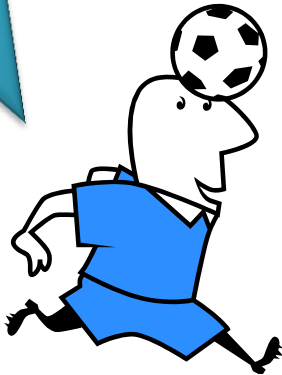

**I see you support Man U.  
Liverpool is the best team  
ever! Man U – U for  
useless!!! Ha Ha**

**What a load of rubbish!  
Everyone knows that Man  
U is a much better and  
much more skilful team!  
Only unintelligent people  
support Man city!**

**You are such a  
loser if you  
think that!**

**Who are you  
calling a  
loser? You  
idiot!**

# Let's reflect...

How do you think these two characters are feeling after this interaction?

How are they treating each other?

What is the problem?

Are they being good listeners?

How could the two characters show respect for one another's opinions?

# What does respect look like?

Treat people the way you  
want to be treated. Talk  
to people the way you  
want to be talked to.  
RESPECT is EARNED,  
NOT GIVEN.

**We are all different so  
accept and respect**

as I have  
loved YOU,  
LOVE one  
another
